Subject: CBC Important: Wye Update and Details for Sunday

Dear Wye Islanders, (not bcc'd this time)

Twenty-five (25) CBC members and guests are signed up for the Wye outing and club dinner on Sunday, May 30th. A nice turnout if the weather forecast doesn't deter attendance. We're hoping that the possibility of rain on Sunday won't keep you at home. As all sailors know, there's no such thing as bad weather, just the wrong clothes (Thank you Logan Hottle!). That said, if you're leaning towards not attending or have already made that decision, PLEASE let me know ASAP, by day's end, so we can attempt to modify our chicken order, shopping list, and prep plan.

Seasoned veterans of this event will remember other cool, rainy Wye Memorial Day Weekend (MDW) forecasts and by kick-off time on Sunday, the weather broke. So let's just welcome the weather whatever it may be. As you will read below, you're in for a treat and the promise of another memorable MDW outing. (Current thinking is to have the chicken ready around 4:30.)

THE MENU TO DATE

Club Provided Items:

Grilled Chicken

Homemade Coleslaw and Mac & Cheese

Specialty Cake

Known Member-Contributed Sides:

Pies (David Crosland)

Bean Salad (Tom-Nancy Trump, the old family recipe)

Caesar Salad (Lynne-Jerry Hoot)

“SIDE” NOTES AND MORE

Don't feel obligated to bring a side to share on Sunday; there will be plenty to eat. But should you decide to and have yet to purchase ingredients, a happy hour nibble/hors d'oeuvre would be welcomed. (Please bring a serving utensil; you may want to include your name on these items.)

If you have issues with using plastic—plates, forks, knives—you may wish to bring your own. Otherwise, we have an assortment of mix and match items we'd like to use up.

Games and Volunteers: A popular Wye game is Knot Tying, so start honing your skills with a few practice rounds. In years past, these 4 knots showed up most frequently, a figure 8, bowline, square

knot, and clove hitch. Each team member draws a card representing one of the knots and the timed contest begins.

Volunteers anyone? CBC has been assigned the ski walk and baseball toss games to run from 2-3:30pm. Let me know if you're interested?

CONSIDER BRINGING

- Your CBC Name Badges (No, worries, there'll be a supply of stick-on name badges)
- Your own pocket-sized hand sanitizer that you likely already have. CBC will have hand wipes available too. (EYC will have bottles placed around the facility.)
- Cash for Will's run punch (in 2019 it was \$3) and the ice cream truck (bars are \$1-4 dollars)
- Bug Spray
- Snacks, water, favorite beverage(s) and drinking cup.
- A foldable chair for lounging around or running a game.
- A mask (if inside the Lodge or not fully vaccinated). Bring your decorated mask if entering that contest.
