General Description: The log canoes are scheduled for 2 races on the 28th and the 29th. The races start at noon so you will probably want to come the 27th. Call now to get a slip at the Museum (they have an event that weekend) or check the marinas in St. Michaels. The other option is to anchor off the shore east of the harbor entrance. The water taxi is running, they pick up in the anchorage, and the hours are: Fri 5-9, Sat 11-10, and Sun 11-9 weather permitting.

The Museum's Winnie Estelle is sold out for observing the races. Larry and Robin Isaacson may be coming by motor yacht; they have offered to be the observation boat if they do. We'll have happy hour on one of the CBC boats slipped at the Museum. Warna has offered to help find restaurants for Friday and Saturday nights; we need to have an indication by July 9 of who is planning to come. We know plans change but this will give us some idea of the size of dinner reservations needed.

Revisions to This Notice: As necessary, revisions will be distributed via email to those who have signed up and Ted will post them on the website.

Radio Watch Plan: Will and Logan will monitor **VHF channel 72** on the hour from 1pm to 6pm on Friday and are available by cell phone all weekend.
