

Summer Sailstice Raft Up

Saturday & Sunday

June 24 & 25

My current plan is to raft up in the cove North of Gibson Island between Holland Pt. and Purdy Pt., to the south and beyond the entrance to Cornfield Creek.

Meridian will be on station by 3 PM, rain or shine.

Theme: To celebrate summer solstice

Bring a happy hour snack to share - y'all know the drill.

Meridian will bring a few mechanical puzzles to solve.

Open one and win a prize. If you have any bring them along.

Depart after coffee and breakfast Sunday morning.

Let us know if you're coming.
